Kuchan Juglans Nigra Black Walnut Liqueur

This walnut liqueur is made in Belmont at Old World Spirits (\$30) from house-distilled Zinfandel brandy infused for nine months with California black walnuts, with a touch of vanilla and cinnamon added to enhance its wintery flavor profile. Pouring it on top of vanilla ice cream is a very, very good idea. *K&L Wines, 638 Fourth St., 415-896-1734, klwines.com*
